

NOVEMBER Spirit Animal SPIDER I hope you had a wonderful Halloween

oer 15

celebration! We have had a rather eventful time at

Kō Kō Sun Farm, and we even had a magical witch visit

(as the Fall Campers know firsthand!) The witch was named

Dottie, she liked cakes and the color pink, she was very forgetful and

had a mischievous broomstick called Puff! Luckily for us she wasn't a

horrible witch - just a silly witch!

On the day Witch Dottie left she gave us each our very own broomstick to decorate and name. Broomsticks are a symbol of good luck around the world and sweep away bad fortune. You can give your own little broomstick a name and place it somewhere special to bring you good luck.

I wish Witch Dottie could have stayed longer and I would have loved to meet her in person but she left with Puff to a faraway land to prepare an enormous Halloween Feast with her witchy friends. I do hope she comes back to visit again soon.

Many of us celebrate Thanksgiving this month. This is a wonderful holiday to remind us of what we are thankful for. Being thankful is something we can do ALL the time and is like making a healing spell! Thankfulness makes us happy, more confident and even prevents us from getting sick. Let's take a big spoon of imaginary healing potion now and think of a few things we are thankful for. I'm thankful for my family, for Art and for pumpkin pie! What are you thankful for today? There are no wrong answers!

Coincidentally, the New Moon will occur on November first. You may not be able to see the moon as it will be in front of the sun and blocking the sunlight but it is still there and very powerful. The New Moon is the best time to start new projects. You can honor the new moon by taking a bow and making a wish.

Wishing you a cozy November!

Happy Birthday to those born in November! Your birthstone is the dazzling Topaz
