# OCTOBER 2024

Dear Children,

Happy Birthday to  
those born in October!  
Your birthstone is the  
gorgeous opal

Do you remember that I told you about a golden egg that my favorite hen Night Garnet had laid? I got to the bottom of the mystery!

During a daily visit to feed Night Garnet and collect an egg, we found the golden egg broken open! I looked around for a baby chick but couldn't hear or see one... finally I picked up the eggshell and inside was a beautiful ring! The ring is made of what looks like solid silver with a very large and sparkling topaz crystal.

It came with a note that explained Night Garnet is a Fairy Hen! Who knew such a thing existed? The ring is a magic ring and whoever wears it can wish to feel however they want! I was so excited! I slipped the magic ring on my finger and made a wish to feel calm. Within no time, what felt like a wave of calmness washed over me. I've tried all the feelings - and feeling inspired is my favorite.

When we feel inspired we want to do lots of creative things - like play, and make art and music! It even made me think about my All Hallow's Eve costume! Our family is dressing up as characters from a very old children's book called The Wizard of Oz written over 100 years ago! It's about a farm girl who wakes up in a magical place with a good witch, a scarecrow, and a friendly lion. What will you be dressing up as?

This special season of Halloween we honor our ancestors - these are your great, great grandparents going all the way back to the beginning of time. The days are shorter and the nights are longer. It is a time of reflection, a time to light candles and a time to carve pumpkins.

Thinking of you all and can't wait to see you again soon!

Love Lucy
